- New cycles begin today. Shake off the dust from the last season. You will receive a new anointing today.
- Choose not to go back.
- Lazarus came from the tomb because he *obeyed* Jesus' voice. OBEY!
- Deal with what you are afraid of. Deal with anything in your heart that keeps you from hearing the shout. The shout is heard in your heart. Come forth!
- He has set the table. You must choose to come.
- Jesus is calling you forth. New shaking and new moving are happening.
- You cannot just think about your next move. You must *say* it!
- We must obey every single word, not just the ones we want.

You Must Move On!

4. Worship in a new way. The High places (ways of the world) want to rule over your worship.
5. Your blessings are attached to your promise. Rehearse your promise until it comes alive.
6. War with your prophetic word. Your faith will be tested.
7. Your character, faith, resilience, and trust will be tested and prepare you for the next step.
